ABOUT EZZOGENICS

Ezzogenics offers a one-stop service for R&D, production, processing, sales, and installation of high-end awnings, carports, sunrooms, pavilions, grape trellises, and other outdoor products. The brand is known for its energy-saving, new type, and practical features, leading the market. The product has excellent rust resistance, anti-corrosion, moisture resistance, weather resistance, and long-term surface self-cleaning ability. It's both beautiful and environmentally friendly and is widely applicable to high-end villas, private residences, real estate communities, industrial parks, government agencies, parks, etc. These products are high-end and elegant, adding a beautiful landscape to modern cities.
